- On August 15 and 16 (the O-Bon holidays. Although obon is not an official holiday, many offices are temporarily closed for business during this period. Due to this measure, many employees can easily plan and go back to their hometowns for family gatherings.), either Omachi Municipal General Hospital or Azumi Hospital will provide medical services. Medical facilities in the village do not have a duty system. Therefore, please contact the Hakuba Village Health and Welfare Division of the Hakuba Village Office to confirm the medical facilities that are open.
- There are many calls for an ambulance, even it's a minor injury or illness. This can be very annoying in a serious emergency. Visitors and tourists who are staying at a hotel should always request an ambulance through the owner of the hotel.
- The pharmacy is open on Saturdays.

There may be changes on the duty shift listed above. New arrangement will be announced on Facebook page if any.

- If you have a fever or other symptoms, call your doctor or a medical institution near your home, first.
- If you don't have your family doctor, or if you are not sure where to call for consultation on Saturday, Sundays, Holidays or at night, please call the Consultation Center: Omachi Health and Welfare Office. (Open 24 hours a day at 0261-23-6560)
- The fax for people with hearing impairments is 026-403-0320.
