Other items		
Item	Freon gas filling volume	Processing fee
Professional Refrigerators and Freezers, Air conditioners and Vending machines	Less than 3 kg	15,000円
The above items are subject to the Law on the Recovery and Destruction of Fluorocarbons. Gas recovery and destruction is mandatory and the above charges apply. If you request a waste disposal company to collect and transport the waste, a separate fee will be charged. ※If the amount of chlorofluorocarbon gas filling is more than 3kg, please consult with a waste disposal company directly.		

Illegal dumping and open-air burning are banned by law!

If you find that, please report that to the Hakuba Village Office or the police immediately.

●Both open-air incineration and illegal dumping are punishable by imprisonment for up to five years or a fine of up to JPY 10 million.

●Open burning of household waste and uncontrolled burning in small household incinerators is prohibited by law.

●Dumping waste on roads, rivers and forests is prohibited by law.

●If you need to burn grass in the fields, take into consideration the weather and time of day so as not to disturb the neighbourhood.

●Do not throw away empty cans, bottles, PET bottles or cigarette butts.

●Do not leave dog or other animal faeces unattended. It is the owner's responsibility to dispose of it.

●Do not leave cars and other vehicles unattended.

Opening dates of Matsukawa bulky waste and recycling station in FY2022					
Apr.	24	Jul.	—	Oct.	9
May.	8 & 22	Aug.	—	Nov.	13 & 20
Jun.	12	Sep.	11	Dec.	—
